OPA REGULATION RMPR-471

Under OPA Maximum Price Regulation RMPR-471, effective July 21, 1944, ceiling prices have been established on the seeds listed below.

Following are the maximum margins a retailer can add to the wholesale ceiling prices:

Red Clover	\$3.85 per 100 lbs.
Mammoth Red Clover	3.85 per 100 lbs.
Alsike Clover	3.85 per 100 lbs.
Alfalfa Seed — Northern and Central	4.50 per 100 lbs.
Alfalfa Seed — Southern Origin	5.00 per 100 lbs.
Sweet Clover Seed	3.00 per 100 lbs.
Timothy Seed	2.20 per 100 lbs.

Above margins apply to sales of 60 lbs. or more. When sales are made in quantities of less than 60 lbs., an additional 1½¢ per lb. can be added, plus the actual value of the bag used. Freight charges from our shipping point to your warehouse or store can also be added to the above margins.

Sales of legume and grass seeds to planters in quantities of 5 pounds or less are exempt from price control.

Remember, this regulation establishes ceilings only — the maximum margins a retailer can add to the wholesale ceiling prices. You are permitted to buy or sell at any price below the ceiling; except that you cannot exceed the producers ceiling when buying from farmers or growers.

See your local OPA office for copy of regulation, or for additional information.
